## Local Google Presence:

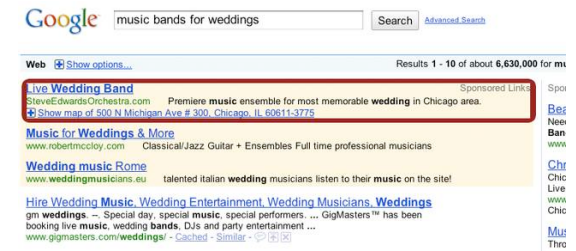

Your customers visit you in person, but they find you online.

- By utilizing local SEO - search engine optimization, we place your business on the **first page of google**

- We add / correct your business' listings information, so that customers can find you online
- We place your business only on top directories: Bing, Yellow Pages, Yahoo Local, SuperPages, etc
- We will also list your business on: 411, In-Car GPS Navigation and Telematics such as OnStar
- Add pictures and video to help customers find your business and help your business stand out online

## Advertising on Google:

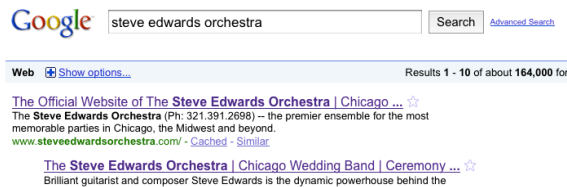

- We optimize your advertising campaign by utilizing only keywords that fit your business
- Minimize your advertising budget by targeting only your potential customers (e.g. 20 miles around your business)

## Website Design:

- We create, modify or refresh your business' Website or a blog

## SEO - search engine optimization:

- We help your business to list on the first page in organic search
- We analyze what keywords work the best for your business, so that your potential customers can find you
- We improve your on-line presence, by utilizing online marketing techniques such as usage of yelp.com

## Local SEO Pricing:

### Basic - \$250

- We will display your business on the first page of google search for up to 5 keywords (e.g. "mechanic in Brooklyn")

### Complete - \$400 setup + \$50/year fee

- We will submit your business listing to top online business directories: Google, Bing, Yahoo, Yelp, MapQuest, CitySearch, Yellow Pages, Local, MetroMix, etc
- We will also list your business on: 411 Directory Assistance, In-Car GPS Navigation and Telematics such as OnStar

### Above services come with:

- free keywords analysis, which determine top 5 keywords that your potential customers use to find your business
- SEO recommendations for your existing website, which will improve your organic search ratings
- 6 months guarantee and support (e.g. correcting listing errors, updating pictures, etc)
